

"Revised 3-1993"

60 "Separating the Men From the Boys" A.K.A. "Black Rattler" 5.12+ (mov, with P.V. belay) use of a hook, 4th bolt

South Facing

1st Two bolts were put in with direct Aid, 3rd bolt was put in with use of a hook, 4th bolt was put in on Rappel. 5/16" X 1 1/2" Rawl-drives

The "Aid Climb" was put up by Ved : From Descanso, I don't know, as of yet, what he's named it, nor what he's rated it - yet from the looks of it and my knowledge of that areas rock fragileness, I'd have to guess that it's at least A3, but probably harder.
