Wanderland South Map F

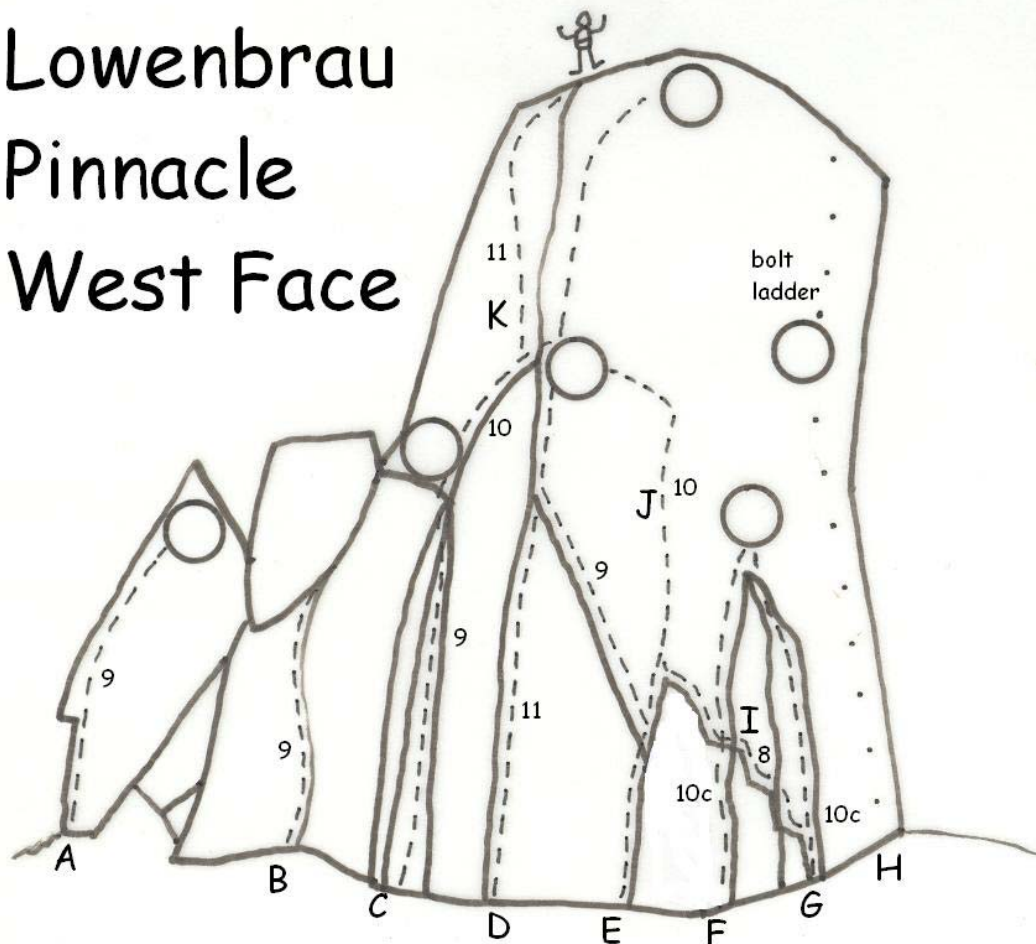

A hand-drawn sketch map of a desert landscape, likely a climbing area. The map features several rock formations and scattered boulders. Key labels include:

- Rebel Planet**: Located on the left side, near a formation with a small cross symbol.
- Space**: Located at the top left, near a small rectangular formation.
- Palladium**: Located at the top center, near a cluster of rock formations.
- Sphinx**: Located in the center, near a formation with a small cross symbol.
- N Face crack**: Located in the lower center, near a tall, narrow rock formation.
- I am the iris (climb into the eye)**: Located at the top right, near a formation with a small circle and a line pointing to it.

The map also includes various numerical ratings (e.g., 10, 11, 9, 8, 70') and a small inset diagram in the top left corner showing a rectangular formation with a cross symbol.
